Regulator Service Parts Policy

This is a program to provide free service parts for the customer when the regulator is serviced.

CONDITIONS

- Dacor regulator service parts are provided for 1 service at 12 months & 1 service at 24 months.
- If the first service isn't done 45 days plus or minus from purchase date the 2nd kit will not be supplied.

The warranty card must be brought in with the regulator being serviced.

This document is intended as a clarification on points of the manufacturer's warranty and is not a warranty in and of itself. Please consult the manufacturer's warranty in the appropriate owners manual or inquire with the Dive Center staff for specific's regarding any additional aspects of the warranty.

DACOR
(Previous Warranty)

LIMITED LIFETIME WARRANTY: Covers original owner, all defects in materials or workmanship in any regulator sold by DACOR for a period of 2 years. The warranty also covers all regulator working parts against normal wear and tear, to the original owner, for the life of the product (Lifetime Parts Program). (SEE NOTE) All other parts are covered for two years.

NOTE: The following are not included in the lifetime parts program.

1st Stages

PACER 300, 350, 600, 650
OLYMPIC 100, 200, 400

2nd Stages

OLYMPIC
PACER

TERMS: The owner must have the regulator inspected and Warranty registration card validated annually by an Authorized Dacor Dealer. Dacor will replace working parts (Annual Kit) through their replacement program.

Failure to have the regulator serviced each year within 30 days before or after the anniversary of the original purchase date will void this warranty.
