

Prestige II RB Series: Features

Exclusive Features

Full width removable drip pan channels excess drippings into a removable grease cup for easy clean up!

EASY SET™ ergonomic knobs that connect to precision brass valves. Our reliable electronic ignition (battery included) to start your grill quickly.

The LIFT EASE™ roll top lid features a stainless steel temperature gauge with ACCU-PROBE™ which accurately reads the temperature inside the grill. The lid has cast aluminum "no rust" sides which allows for zero clearance installations to the rear.

Stainless steel shelves with full width CONTOUR™ condiment trays to keep all your cooking essentials right on hand.

Esthetically superior stainless steel tubular handle that remains cool to the touch.

Large durable two piece all-weather wheels and EASY ROLL™ locking swivel casters.

Includes infrared rear rotisserie burner with heavy duty or commercial quality rotisserie and counter balance.

Sturdy and stunning, the Prestige II CONTOUR™ doors are double walled and the enclosed cabinet hides the tank!

Featuring the infrared SIZZLE ZONE™

Patented Sizzle Zone™ knobs

Exclusive Cooking System

Direct

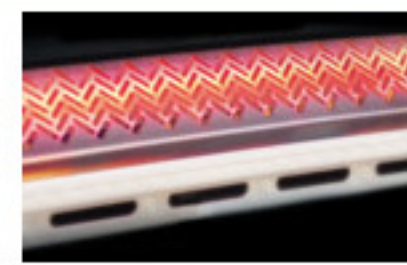

Our burners are positioned front to back for precise heat control allowing for independent use of each grilling zone. Direct cooking allows you to sear (broil) your food to lock in flavour. While the indirect method creates an oven style (roasting) environment.

Indirect

The tightly sealed lid provides maximum heat retention and oven-like performance. Napoleon grills give you the versatility to be creative in your cooking adventures.

Rear stainless steel infrared rotisserie burner for restaurant style results! The infrared heat waves seal and lock in the juices quickly for superior tenderness and flavour.

Our unique patented 304 stainless steel sear plates safely control flare-ups. Food drippings are vaporized and refined into a zesty BBQ flavour!

The sear plates totally protect the 304-16 gauge stainless steel burners. These burners are the best quality construction and engineering on the market today!

Patented stainless steel WAVE™ rod cooking grids for a unique grilling experience and superior food support for smaller, more delicate foods.

The generous, stationary warming rack can also be used for indirect cooking and roasting

Exclusive Optional Accessories

The optional QUICK CONNECT side burner provides additional cooking space and heat for versatile cooking and side dishes.

The optional stainless steel griddle is perfect for sautéing vegetables or cooking a complete breakfast right on the grill.

Our exclusive, optional charcoal tray allows you to add the fun and flavour of charcoal anytime to your Napoleon Gourmet Grill. The charcoal conveniently lights with your gas burner.
